

Mindfulness and Self-Compassion for Professionals

Give the gift of Mindfulness and Self-Compassion.

Ease stress, anxiety, depression and pain.

This workshop consist of didactic and experiential training exercises in mindfulness and self-compassion, to improve professional skills and personal lives.

Rapidly expanding research shows that mindfulness and self-compassion are strongly associated with emotional well-being, lower levels of anxiety, pain and depression, better healthy habits such as diet and exercise, more satisfying personal relationships and enhanced self-care.

Mindful Self-Compassion Training Program

Day 1: Didactic presentation of self-compassion and mindfulness plus training in up-to-date techniques and strategies.

Day 2: Benefits and further research/applications of self-compassion and loving-kindness in daily life. Followed by exploring inner critic and ways to cultivate a more understanding and kind inner voice

Marie Bloomfield in the last five years has been a leader in teaching Mindfulness and Self-Compassion. She is a registered clinical psychologist and Medicare provider since 1990 with extensive experience in the delivery of psychological services in mental health in the public, corporate, academic and private sectors.
