

Mindfulness & Self-Compassion For Professionals (2 days)

Build emotional
resources and
teach your clients!

This wonderful workshop consists of didactic and experiential training exercises in mindfulness and self-compassion to improve professional skills and personal lives.

Rapidly expanding research shows that mindfulness and self-compassion decrease stress burnout, anxiety, pain and depression, and increase wellbeing, resilience, self-care and satisfying relationships.

Mindfulness & Self-Compassion 2-Day Program

Day 1: Applying Self-Compassion and Mindfulness in daily life.

Day 2: Benefits and applications of loving-kindness in daily life. Followed by making peace with the inner critic and positively motivating ourselves.

Presented by Marie Bloomfield, and Marianna Lolas, Clinical Psychologists. Marie has over 40 years of extensive experience in mental health in the public, corporate, academic and private sectors. Marie was one of the first trained and accredited mindful self-compassion teachers in 2014 and has presented over 100 MSC since. Marianna has had a private practice in the last 10 years and is also a trained MSC teacher.
