

Mindful Self-Compassion

Give yourself the gift of Mindfulness and Self-Compassion.

Navigate life's challenges with more ease!

Mindful Self-Compassion is about being present with connection and warmth during times of pain and struggles. You will learn over 25 simple strategies and tools to build inner strength that you can practice in your daily life and teach your clients/students/children. Research shows that mindfulness and self-compassion are strongly associated with emotional well-being, lower levels of anxiety, pain and depression, better healthy habits such as diet and exercise, more satisfying personal relationships and enhanced self-care.
